## GOD'S DREAM

### what IS GOD'S DREAM?

At CATALYST CHURCH we believe that God has a dream for your life. We believe that His dream for every person has both common and unique elements to it. **Common:** God desires restored relationship with every person—that's why He sent Jesus—to make the most important facet of His dream possible. God's dream for all of us includes walking through life together with Him. **Unique:** God has plans and a purpose for each of us—the unique, one-of-a-kind role that only we can fulfill. He created us each unique with talents, abilities, and experiences that form our personality and make-up.

### how DO I DISCOVER IT?

Some of God's dream for us has been laid out clearly in Scripture—these are the elements we all share such as salvation, worship, spiritual growth, and service. We've also created tools to help in the discovery and pursuit process: **DISCOVERING YOUR DESIGN** (a six-session course that helps you discover *your* unique design); **60 DAYS OF DREAMING** challenge (a guided exercise designed to help you take active, *daily* steps forward); **DREAMLAB** (our off-site location used for individualized life-coaching).

### when CAN I START?

**Right now!** Pray for the Holy Spirit to open your eyes and heart to God's dream for you.

### where DO I FIND OUT MORE?

Fill out a CONNECTION CARD to sign up for the next session of **DISCOVERING YOUR DESIGN** or to enroll in a **60 DAYS OF DREAMING** group. You can also ask one of our Pastoral Staff members for more information and they'll help get you started.

### why SHOULD I BOTHER?

You were created to reflect the glory of God; He imbued His image into you; He sent His Son to die for you; His Holy Spirit was sent to help and guide and support you. Everything has been set into place so you would discover, pursue, and **LIVE** God's dream for you—**why wouldn't you!?!**
