## JESUS

### who DO WE SAY JESUS IS?

At CATALYST CHURCH we believe in one God who exists in three distinct persons (Father, Son, and Holy Spirit). We believe that Jesus is the sinless Son of God who became a man, like us, to be the Savior of the world.

### how CAN I LEARN MORE?

Twice a year we offer a 10-week conversational small group environment called *STARTING POINT*. Whether you are new to the Christian faith, just exploring it, or even returning after years away—this low-key opportunity is designed just for you to ask questions and learn more.

### why MUST I DECIDE?

We believe that God's dreams for our lives begins first—and foremost—with a restored relationship with Him. He made this restoration possible through the Person and work of Jesus Christ. God's Word, the Bible, is very clear that the only way to be reconciled to the Father is through faith in Jesus and in what His death on the cross accomplished (forgiveness for our sins). Scripture teaches us that when we make a decision for Christ we are immediately given membership within the Body of Christ and that our eternal life with God in Heaven is established. Our decision about Jesus is the single most important decision we can ever make in our lives.

### what DOES THE BIBLE SAY?

God's Word, the Bible, tells us that Jesus is God come as one of us; that He is God the Son, eternally one with God the Father and God the Holy Spirit. Jesus alone can forgive our sins and give us salvation.

Many people believe that Jesus was simply a good teacher and a very spiritual man, but they deny that He is God. A diluted Jesus is not the real Jesus. We must be careful to believe in Jesus as He declared Himself to be: the sinless Son of God.

### when SHOULD I DECIDE?

When you decide to give up being "in control" of your life and let Jesus be in charge—that is the "right" moment.
