

Do you know what
a catalyst is?

The short-answer is this:
*something that starts a
transformative process.*

At CATALYST CHURCH we think of a *catalyst* as anything that helps one thing *become something else*. We see how God uses many different things as catalysts—transforming each of us into the unique, fully-alive people *He* dreams of.

Inside this flyer you'll find the Next Steps we've put together to help you follow God's lead on this journey we call "faith."

WHAT'S NEXT?

CATALYST CHURCH

next steps

1

attend

Begin by attending one of our *Start Dreaming* lunches where you can discover who we are as a church. Ask questions, learn the Vision & Values of CATALYST CHURCH.

2

gather

Join a *Vital Gathering* group—our way of forming strong, Christ-centered relationships with one another. We feel it is absolutely vital that each person have a core group of others they “do life with.”

3

involve

Every single week we have many teams of volunteers that give of their time and skills to serve others. Greeting, music, technology, Youth, Kids Church—you will fit in and make a difference somewhere!

4

decide

Entering into a relationship with Jesus Christ is the single most important step in your faith journey. Making the decision to become a follower of Christ is the catalyst for truly transforming your life!

5

baptism

Water Baptism is your *public* declaration of an inner transformation. Water Baptism is a great opportunity to declare that your new life has begun and to invite others to celebrate with you. We follow the example of Jesus and practice full-immersion water baptism.

6

belong

Moving from a regular participant to a full-fledged member solidifies your commitment to this local missional community known as CATALYST CHURCH. Voting Members shape the future of this ministry. Think of this step as becoming an “owner” rather than just a consumer.

7

pursue

“God Has a Dream For Your Life” That’s our motto at CATALYST CHURCH—and we’re serious about helping you *discover, pursue* and *live* God’s dream for your life! Sign up for the next *Discovering Your Design* course, take part in the *60 Days of Dreaming* challenge, even seek out some life-coaching in our *DreamLab*.
